Synopsis of the Activity

Highlights of the Activity	The event lasted from 9 in the morning to 4 in the evening on all days and was attended by participants from across the nation. There were registrations from universities around the country as in, IIT Bhopal, SRM Chennai, Vellore Institute of Technology, and many others. The participants showed an enthusiastic response and intriguing questions were put forth to the speakers who addressed them exceptionally giving valuable insights into the web world.
Key Takeaways	1. The participants would be awarded certificates for their valuable engagement with the delegates. 2. A lot of common myths about the topic were cleared by the interactive session conducted by the speakers.

Summary of the Activity	The Department of Computer Science hosted the three-day national conference, Futurama 3.0. The event was conducted on a huge scale with participants from various places of Bengaluru and other states as well. The volunteers and organizing committee worked day and night with the guidance of the faculty coordinator, Mr. Kirubanand VB to ensure the event's success.
Follow-up plan (if any)	N A
